

You make the difference!

STS is a non-profit 501(c)(3) organization, established in 1983, that raises and distributes funds to help gifted and talented students attend summer enrichment activities not provided by the school.

We have no paid staff. At least 98% of all donated funds go directly to supporting students.

Your investment will help to prepare the “best-and-brightest” of today’s students for tomorrow’s community leadership roles. Invest in the future through STS!

*Learning is much more special when the opportunity is given to someone as a gift.
Thank you for the scholarship.”

..... Detach Here

Support for Talented Students (STS) provides financial aid to gifted and talented elementary and secondary students in the Columbus metro area whose parents or guardians cannot afford to send them to summer enrichment programs. Many summer activities are available which provide advanced studies in areas such as science, medicine, math, language, music, dance, theater and art.

Nurturing talent takes money. Many gifted students come from homes where extra dollars are hard -- if not impossible -- to come by.

That's where you come in.

Students are identified by school teaching personnel as talented or gifted according to the State of Ohio's definition. Parents/guardians and students apply for scholarships to summer advanced study programs and a school gifted coordinator or other teacher who has classroom experience with that student recommends the student. Students are then selected for scholarships based on family income, funds available and other factors such as criteria established by the individual summer activity to which the student was accepted.

Provide positive role models -- where it is "cool" to be smart.

My Tax Exempt Donation should be recognized as follows:

I wish to support STS in its effort to provide enrichment programs for financially challenged gifted and talented students in central Ohio

Patron	\$500 up	___
Benefactor	\$250-499	___
Supporter	\$100-249	___
Friend	\$10-99	___
Other	\$	_____
