

## **Welcome to Support for Talented Students!**

### **This is the STS Scholarship Application Information!**

#### **STS Scholarship deadline is March 9, 2018. Apply early.**

Support for Talented Students (STS) is a tax-exempt, tax-deductible organization whose sole purpose is to provide scholarships for summer enrichment programs for gifted and talented Central Ohio students currently in grades 3-11 whose families can not otherwise afford the costs. Scholarships are available for all qualified students regardless of gender, religion, race, sexual orientation, or country of national origin. STS has awarded scholarships for summer enrichment programs to hundreds of gifted and talented students in Central Ohio since 1983.

2018 Scholarship Applications are now available online. [Click here](#) for instructions and the application. Application forms must be submitted by March 9, 2018

Applicants must have a sponsor from their school.

Students in the Columbus City Schools do not need to obtain the sponsor's written recommendation. STS will obtain the sponsor's recommendation through the Columbus Gifted program.

Students outside the Columbus City Schools will need to have the sponsor complete a recommendation form and verify the student's gifted identification. Sponsors can complete that form [here](#).

Children who receive scholarship awards will be notified around April 20, 2018.

It is through the generosity of our contributors and partners that STS is able to provide summer opportunities for Central Ohio students. If you are interested in making a tax-deductible contribution, please [click here](#).
